There have been 1,067 grants awarded, totaling \$19,632,086, from Economic Recovery Fund fiscal agents to beneficiaries, including nonprofits and small businesses (See Appendix for a complete list of organizations). Four out of five fiscal agents have completely disbursed grant funds. The fifth fiscal agent—Baltimore Development Corporation (BDC)—continues to disburse grants to its subrecipients. The map below indicates the location of all organizations funded by BDC through February 2024. A map including the locations of other Economic Recovery Fund recipients can be found on the Recovery Office [dashboard](#).

**Figure 1: Organizations Funded by Baltimore Development Corporation**

BDC processed a limited number of first and second round checks – totaling 23 checks (1 second check to a Round 1 awardee, 2 first checks to Round 2 awardees, and 20 second checks to Round 2 awardees). BDC continues to coordinate with businesses in Round 2 to gather and authenticate the necessary documentation to issue checks. BDC is also coordinating with businesses on eligible uses of grant funding, as some businesses' needs have changed since submitting their application for funding. BDC is also in the process of coordinating with the Recovery Office to review expenditures, budgets, and performance of the Technical Assistance partners in the BASE Network.

### **Community Violence Intervention (CVI)**

The University of Baltimore Urban Conflict Manger Program graduated the first Cohort of Safe Streets Baltimore (SSB) staff and on February 14, MONSE hosted the 1st ever all site SSB retreat. As of February 12, Cherry Hill is fully staffed. Interviews were held for Belair Edison – 1 person was hired for the Violence Prevention Coordinator (VPC) role.

MONSE has planned an ARPA highlight/press tour with Living Classrooms Project S.E.R.V.E. on March 15. Safe Streets Baltimore has several events in March: Brooklyn Black to the Future Contest on March 2; Penn North 365 Days without a homicide celebration on March 6; McElderry Park 2<sup>nd</sup> annual Women's Day vision board event on March 8; and Woodbourne McCabe Community Clean up on March 28.

### **Community Safety and Response**

ARPA grantee, Rose Street Community Center, met the project goal of identifying and enrolling five youth auto theft offenders in an intensive diversion program. There's been consistent weekly engagement from all participants, including early morning neighborhood cleanup work, mock job interviews, and mentoring tailored to each participant's needs, psychology, and situation.

The second to last speaker series in Brooklyn was held on February 29. The Collaborative walk in Morrell Park was on February 23, and the Youth Summit with We Our Us occurred on February 3. Safe growth training with Greater Baybrook Alliance (GBA) occurred from February 2-7, 2024 and MONSE confirmed agency commitments for the Neighborhood Policing Plan (NPP).

MONSE plans to do outreach and individual interviews with neighborhood residents to collect qualitative data that yields an in-depth case study of the Rose Street community and informs violence prevention and diversion work, including evaluation of existing efforts and implementation of programming tailored to meet the community's particular needs and priorities.

There are several events upcoming including the Walbrook proactive Community Neighborhood Safety Response (CNSR), Morrell combined CNSR, wrapping up speaker series in Brooklyn, Brooklyn Community Walk regarding Human-trafficking on March 12, coordination of NPP and Mayor's Office of Community Affairs for community clean-up on March 14.

### **Re-Entry Services**

The Re-Entry Action Council meeting will occur on March 21.

### ***Mayor's Office of Immigrant Affairs (MIMA)***

#### **Baltimore New American Access Coalition (BNAAC)**

Global Refuge hosted an active "Best Practices" discussion with benefit navigators, which continued discussions held in January. Benefit Navigators were very active during this session and an exchange of knowledge and information benefited many of the less-tenured staff. BNAAC Legal also provided a training to benefit navigators to 1) equip them with the language to use to encourage clients to utilize this valuable resource and 2) help facilitate higher attendance to scheduled public orientations and legal screenings.

In the past month BNAAC has presented at multilingual family meetings at Highlandtown #215 and #237 and Vanguard. BNAAC has also established referral pathways with Morell Park and Charles Carol Barrister. In the next month BNAAC will execute an in-person "know your rights" presentation and enrollment event at St. Vincent DePaul. BNAAC outreach will continue to support south Baltimore mobile enrollment sites with outreach at the Centro de Apoyo Familiar. BNAAC will also participate at City Schools Get HYPED event, Care First Health Fair, Lakeland Community Fair, Ben Fest, and Morell Park Resource Fair.

### **Language Access**

On February 27, 2024, the CAO issued a directive and language access policy to certain City agencies requiring their compliance with language access. With this directive, MIMA can move forward with onboarding its 3<sup>rd</sup> cohort of agencies, a critical component of the ARPA project. Additionally, the current ARPA Project Manager transitioned into the full-time Language Access

Coordinator position this month. MIMA conducted interviews and has extended an offer letter for this position.

MIMA hosted its quarterly Language Access Oversight Committee meeting on Wednesday, March 6<sup>th</sup>. During this meeting, MIMA provided updates on the City's Language Access program, including the CAO's policy, new staff and the timeline for language access onboarding/implementation. MIMA will present at the Latino Provider Network's monthly meeting on March 25<sup>th</sup> to share about language access work with community organizations and providers throughout the City of Baltimore.

### ***Department of Housing and Community Development (DHCD)***

#### **DHCD – Impact Investment Areas**

Twenty-one property acquisitions were on the March 6<sup>th</sup> BOE agenda. After approval, those properties will move into Stage 5 that includes settlement and payment.

### ***Department of General Services (DGS)***

#### **Baltimore Police Department (BPD) Fleet**

DGS has received 50 of the BPD Police Interceptor Utilities (PIUs) ordered using ARPA funds. The remaining 50 BPD PIUs are estimated to be delivered in mid-2024. The 50 vehicles received to-date have all been upfitted and are now in service.

#### **Department of Public Works (DPW) Load Packers**

DGS fleet has received nine (9) ARPA-funded load packers. These units have been upfitted, tagged, and labeled and are now in service.

#### **HVAC Improvements at City Libraries**

DGS and Rife International have finalized the overall design-build cost for the six (6) libraries that are part of the Enoch Pratt Free HVAC Repair Project. The contract was approved on the March 6<sup>th</sup> BOE meeting.

#### **Capital Improvements**

The award for the Northwest Community Action Center project was approved during the February 20<sup>th</sup> BOE meeting. Work is slated to begin on the Northwest Community Action Center on April 15, 2024. The City Hall Roof project was advertised for bid on January 26, 2024, and all bids were received by March 6, 2024.

### ***Department of Public Works (DPW)***

#### **Waste Removal**

DPW is utilizing \$3,285,000 in ARPA funding to cover a contract for Spindler Refuse Service, Inc. to provide residential trash and recycling hauling for one year to help return to weekly recycling services. The contract will end October 31, 2024.

#### **Recycling Crews**

All thirty (30) ARPA funded recycling crew positions (10 solid waste drivers and 20 solid waste workers) have been hired and will remain funded by ARPA through June 30, 2024. Positions will be shifted to the general fund in FY25.

#### **Capital and Operating Improvements**

DPW will utilize \$5,659,780 in ARPA funds for capital and operating improvements. Capital improvements will allow for more sanitary conditions for DPW staff. Capital improvements include facility upgrades at various locations. Operating improvements include the purchase of new technology such as routing software and tablets, as well as larger equipment including mini-load packers, tractors, and bobcats. DPW is currently working to amend existing contracts to include specific ARPA language.

## Performance Measures and Metrics

A select number of performance measures are included in Table 3. Measures should not be viewed as underperforming since many programs or data collection are just beginning. The Recovery Office will continue to coordinate with subrecipients on measure accuracy. Additional data on performance measures will be included in Council reports as programs are further implemented, and data becomes available. Other performance measures can be found on the [dashboard](#).

**Table 3: Selected Performance Measures**

### Population, Labor & Employment Growth

Council legislation requires critical performance indicators, benchmarks, and targets related to population growth. No data source exists that would demonstrate population growth monthly. In addition, some ARPA funding may be used for programs and initiatives that could result in population growth. However, such instances would be anecdotal in nature and cannot be positively correlated to ARPA.

The Mayor's Office of Recovery Programs continues to make significant progress in the awarding of ARPA funds, the monitoring of agency and organization's progress, and in the accountability and transparency in the use of these funds. Information on awards, reports, and the public-facing dashboard can be found at [arp.baltimorecity.gov](http://arp.baltimorecity.gov).
